**WHAT DOES THE FUTURE HOLD
FOR MILLIONS OF WOMEN?**

The big problem of the preponderance of women as an aftermath of the war must be solved. There is a solution in Allen Holubar's drama eternal, "Man-Woman-Marriage." In the days of the Amazons the woman chose her mate. Men unfit to become fathers were doomed to bachelorhood; women unfit to mother posterity were discarded. Will the women of the future demand marriage along those lines?

The "Mother of Medicine"

Isis, the Queen, and afterwards the Goddess, was called the "Mother of Medicine." In ancient Egypt, centuries before Christ, women were skilled in medicine. They knew the great value of medicinal plants.

Hippocrates, the "Father of Medicine," many centuries later, knew less of the merit of vegetable drugs than did the women of ancient times.

Lydia E. Pinkham, nearly fifty years ago, gave to women her Vegetable Compound, now known everywhere as Lydia E. Pinkham's Vegetable Compound. This is a woman's medicine for woman's ailments, prepared from medicinal plants.

"Where Lights are Low"

Sessue Hayakawa enacts the role of a Chinese prince who becomes a servant and who fights a terrific battle with hatchet men in San Francisco's Chinatown to rescue the girl he loves in his latest R-C picture, "Where Lights are Low." Gloria Payton appears in the cast as a Chinese maiden.

age," it was necessary to allow eight weeks' time for the cutting and one of the most capable film cutters in Hollywood worked night and day at the task. When the picture was ready for the screen, it measured approximately 9,000 feet in length, which means that it now contains one-fiftieth of its original length. The original film was long enough to completely unfold the city of Los Angeles three times. At local theatres Tuesday.

Weak Women Win In Chase

Business efficiency in a woman usually stamps out all the shy, appealing, essentially feminine qualities she may ever have possessed, and while she may go far in her career, she is quite likely to go alone, for men still love the types who look up to them and cling flutteringly. Business women should not miss the chance to see what happened to an efficient business woman and her clinging-vine rival in "Her Sturdy Oak," which comes to local theatres Thursday. Miss Hawley is the clinging-vine who holds the love of the hero.
